WHISKEY FLIGHTS

*The welcome
is warm.
The whiskey
is waiting.*

We created this Irish whiskey flights programme to help you discover a world of extraordinary variety – of styles, ages, finishes and flavours. You'll also get to explore distilleries and regions, and meet some of the remarkable personalities who share our passion and are eager to share it with you.

A flight comprises **four 15ml servings** of each whiskey.

Owners' Selection

570

For many years the owners have collected fine whiskeys (and whiskies), which are now displayed in the cabinet in the hotel bar. And they are now making some available for you to sample. The owners ask forgiveness for a slight bias to County Antrim bottlings.

Note, this flight is likely to change from time to time.

Darryl McNally

40

Master Distiller's Cask Strength Reserve

A selection of whiskeys specially curated by hotel co-owner, Master Distiller Darryl McNally. These whiskeys are not available for tasting anywhere else, and represent Darryl's unique approach to bottling single malts from single casks and barrels.

8 Year Old Single Malt:

- Triple Distilled Sake Cask
 - Triple Distilled Amarone Cask
 - Triple Distilled Barolo Cask
 - Triple Distilled Marsala Cask
-

Bushmills

30

Our nearest distillery and the place our co-owner Darryl learned his trade. Darryl was responsible for distilling in Bushmills between 2002 and 2015, which means that any Bushmills malt on the market now from 10 to to 23 years old was produced under his expert eye.

- **Bushmills 10 Year Old**
- **Bushmills 14 Year Old**
- **Bushmills 16 Year Old**
- **Bushmills 21 Year Old**

Dalriada

15

Dalriada is a Gaelic kingdom encompassing the western seaboard of Scotland and the North East of Ireland. Nowhere is this kinship closer than when comparing the people of the Causeway Coast and Glens and the Inner Hebrides and Argyll. Learn about the owners' brands and how Irish whiskey compares with peated and non-peated Scotch whiskey.

- **Outwalker Irish Whiskey**
- **Limavady Single Barrel Single Malt Irish Whiskey**
- **Bruichladdich The Classic Laddie**
- **Ardbeg 10**

Dún na nGall

17

Remote beaches, wild winds and stormy seas, great golf courses and truly great people... Yes, we're talking about our northerly neighbours.

Crolla Distillery (spelled *Croithlí* in Irish) features here, located a stone's throw from where St Colmcille himself distilled whiskey back in 560 AD, having learned the secrets of the local poitín-makers. This whiskey represents the people and place perfectly.

Alongside Croithlí we serve the Silkie, from the Sliabh Liag Distillery in Ardara, a village where a growing whiskey trade is emerging – with the mysterious silkie at the forefront of many local myths and legends.

- **Quercus Robur Single Malt**
- **Quercas Petraea Sessile Single Malt**
- **Midnight Silkie Blended, 9-10 Year Old**
- **Legendary Silkie Blended, 8-9 Year Old**

Galway

18

Micil Distillery in Galway is run by Padraic and Jimín Ó Griallais. Using innovation and creativity, they mature their whiskeys in smaller 'Connemara casks', which offer more intense flavour and an accelerated maturation. Expect whispers of peaty smoke on this flight.

- **Micil Earls Island**
- **Micil Inverin**
- **Micil Long Walk**
- **Micil Heritage Poitín**

Crossgar and the Rademon Estate 22

Fiona and David Boyd-Armstrong built Northern Ireland's first distillery producing hand-crafted premium spirits in 2011. Since then they have grown their reputation and repertoire, offering amazing gins and whiskeys. If you're in the area, the distillery in the beautiful Rademon Estate is well worth a visit.

- **Shortcross Distiller's Duo**
- **Shortcross Rye & Malt**
- **Shortcross 5 Year Old Peated Single Malt**
- **Shortcross 7 Year Old Peated Single Malt**

The Ards 22

Set in the picturesque Ards Peninsula on Northern Ireland's eastern seaboard, Echlinville Distillery was created by two passionate local whiskey entrepreneurs, Shane Braniff and Jarlath Watson. The distillery produces a range of whiskeys and spirits, and this flight features a very distinguished name in the history of Irish whiskey, Dunville's – which Echlinville has proudly brought back to life.

- **Dunville's 1808**
- **Dunville's Three Crowns Sherry Finish**
- **Dunville's 10 Year Old Single Malt, PX Cask**
- **Dunville's 10 Year Old Single Malt, Palo Cortado Cask**

The Southern Reaches 22

Wayward Irish Spirits is owned by Maurice O'Connell and is located on the Lakeview Estate in beautiful Killarney. The family has lived here for over 900 years and has developed some outstanding whiskeys using port casks.

Michael Clifford and his son Gavin have set up the Garden Distillery in County Wicklow. Using innovative approaches to distilling, the pair are producing some truly remarkable whiskeys.

- **Garden County Single Grain Oloroso**
- **The Liberator Double Port**
- **The Liberator Tawny Port**
- **Garden County 8 Year Old Grain Rye**

Traditionally, bonders purchased whiskey from distilleries 'in bond' then blended, aged and bottled under their own name before selling on. Based in Cooraclare County Clare, Louise McGuane has revived that tradition, and in the process built a reputation for creating exquisite whiskeys.

- **The Hanson**, Blend of Irish Grain Whiskey
- **The Gael**, Blend of Malt & Grain Irish Whiskey
- **The Capuchin 8 Year Old**, Blend of Single Malt and Pot Still Whiskey
- **The Flintlock 21 Year Old Single Malt**

*The Friend at Hand*30

Willie Jack is a collector, an artist, a storyteller, an entrepreneur and above all, a passionate whiskey devotee. He owns the Duke of York, The Dark Horse, The Harp Bar and the Friend at Hand whiskey store and museum, all in Hill Street Belfast. We are thrilled that he has offered access to his Friend at Hand range for your enjoyment.

- **Girona Gold 12 Year Old Single Malt** in Sherry Casks, *limited release 6/13*

A legendary name, reborn

Limavady was one of the great names in the history of Irish whiskey-making. And now it has been revived – the lifetime dream of Limavady-born Master Distiller and Harbourview co-owner Darryl McNally.

This is a single malt, distilled in small batches using 100% malted Irish barley in ex-bourbon barrels and finished in PX sherry casks, each one hand-selected by Darryl.

The sherry casks deliver warm dried fruit and spice notes, adding richness to a toasted vanilla base that's smooth at first, with a delightful warmth on the finish.

Discover the restless spirit

Outwalker is more than a unique blended Irish whiskey. It's also uniquely aged – four different ways. It contains pot still aged in ex-Oloroso sherry casks, single malt aged in burgundy white wine casks, and fine grain whiskeys aged in both virgin American oak and in rye whiskey casks.

It was created by connoisseur and legendary cocktail creator Jillian Vose in her long quest for an Irish whiskey that works exceptionally well in mixed drinks but which is also complex and interesting enough to sip on its own. Job done.
