Led by Master Distiller Darryl McNally, we select spirit from Ireland's finest spirit warehouses and distilleries, choosing for small-batch production and exceptional quality.

This rare access ensures Carnlough Irish Whiskey begins with the finest liquid available – a privilege few distillers can offer. Our finishing takes place in 64-litre quarter casks, selected for their ability to intensify flavour and accelerate maturation.

We craft small-batch Irish whiskeys — blended, finished and bottled by hand — for private clients and guests of the Harbourview Hotel. We also partner with private clients, whiskey clubs, specialist retailers and corporate partners seeking extraordinary gifts or unique cask experiences. This includes private cask ownership, tailored blending sessions and limited bottlings — each personally signed, numbered and finished by hand.

A legendary name, reborn

Limavady was one of the great names in the history of Irish whiskey-making. And now it has been revived – the lifetime dream of Limavady-born Master Distiller and Harbourview co-owner Darryl McNally.

This is a single malt, distilled in small batches using 100% malted Irish barley in ex-bourbon barrels and finished in PX sherry casks, each one hand-selected by Darryl.

The sherry casks deliver warm dried fruit and spice notes, adding richness to a toasted vanilla base that's smooth at first, with a delightful warmth on the finish.

Driven by a passion for sourcing rare and remarkable single cask spirits. Founded to ensure unique casks aren't lost in major producer's blend. Each offering is a completely one-of-a-kind spirit bottled from a singular cask producing 250 bottles or fewer. The four expressions in this flight have been specially finished on the coast of Ireland.

Discover the restless spirit

Outwalker is more than a unique blended Irish whiskey. It's also uniquely aged – four different ways. It contains pot still aged in ex-Oloroso sherry casks, single malt aged in burgundy white wine casks, and fine grain whiskeys aged in both virgin American oak and in rye whiskey casks.

Our most popular drink, the Irish Coffee is made with Outwalker Irish Whiskey, freshly brewed drip coffee, demerara simple syrup, cream – warm and indulgent.
